- The Home Page will look as follows,

The screenshot displays the eTropicalFish.Com web application interface. On the left is a vertical sidebar menu with a search bar and various navigation options including Tools, Search Products, Report/Document Calender, Group Contact Details, Site Management, Product Management, Sales & Customer Management, Purchasing & Supplier Management, Consumer Management, Pricing & Costing Matrix, Management Reports, and Inventory Catalog Reports. The main content area features a top navigation bar with a warning message about logging out. Below this, there are two user profile cards: one for Harsha Bandara (ETF Support) and another for Tharindu Chinthaka (IT Support). Between these cards is a 'Single Sign On' section with icons for HOME, PMS/WF, VIPMO, HRIMS, EAP_{Tracker}, and SETTINGS. At the bottom, a section titled 'Roster Data is Related to US Time' contains a list of dashboard sections: PERSONAL DASH BOARD, PROMOTIONS, and DRY GOODS INVENTORY.

Search Not Mapped INV Items

- **Step 1:** Go to search box in the Menu bar, type “Not Mapped INV Items” and click to “Go to Menu” button as shown below.

Or

Click to “Live Inventory New” in the menu, then you will be opened the item and press the Item called “Not Mapped INV Items” as shown below.

- Then you will be displayed the following page.

Not Mapped Inventory Items						
CIS CODE	COMMON NAME	SCIENTIFIC NAME	Size	VENDOR	COUNTRY	
295-014458	LEMONPEEL ANGEL	CENTROPYGE FLAVISSIMA		VUSR	Vanuatu

Live Inventory Item Mapping From ETF

Created by: Umesh Isuru Rathnayake

Date: 03.05.2016

- Then you will be displayed the following page.

The screenshot displays a web application interface for inventory mapping. On the left is a sidebar menu with various options like 'Tools', 'Search Products', 'Report/Document Calendar', etc. The main content area features a table at the top with columns: 'Inv. Item ID', 'CIS Code', 'Common Name', and 'Scientific Name'. A row is visible with values: '4464', '295-454836', 'Pearl Wrasse', and 'Anampses neoguinus'. Below this table is a 'CIS Code Mapping' section. It includes input fields for 'CIS Code', 'Common Name', 'Scientific Name', 'Size', 'Vendor', and 'Country', along with 'Search', 'Add Item', and 'Clear' buttons. At the bottom of this section is a table with columns: 'CIS Code', 'Common Name', 'Scientific Name', 'Vendor Code', 'Size', 'Country', and 'Company'. A row is shown with values: '295-454836', 'Pearl Wrasse', 'Anampses neoguinus', 'VUSR', 'XL', 'Vanuatu', and 'CIS International Holdings Corp.'. There are 'Save' and 'Delete' buttons at the bottom of the mapping section.

- Step 7:** Then go to excel sheet, copy the Left side CIS Code, paste “CIS Code Mapping” section “CIS CODE” field and press the “Search” button as shown below.

This screenshot is identical to the previous one but includes annotations to guide the user. A blue arrow points from the text 'Paste 'CIS Code' here' to the 'CIS Code' input field in the 'CIS Code Mapping' section. Another blue arrow points from the text 'Click 'Search' button' to the 'Search' button in the same section. The 'CIS Code' field and the 'Search' button are both highlighted with red rectangular boxes.

- **Step 8:** Now retrieve all details form CIS Code. Then press the “Add Item” button as shown below.

- Site Management
- Product Management
- Sales & Customer Management
- Purchasing & Supplier Management
- Consumer Management
- Pricing & Costing Matrix
- Management Reports
- Inventory Catalog Reports
- EDI Details
- InhouseEDI Details
- Chain Store Orders
- Production Planning & Packing
- Fish Breakdown & Bagger Assignment
- Production Planning Admin

Click ‘Add Item’ button

Select 'Item Category'

Item Category : -- All --

Click 'Add Item to Live Inventory' button

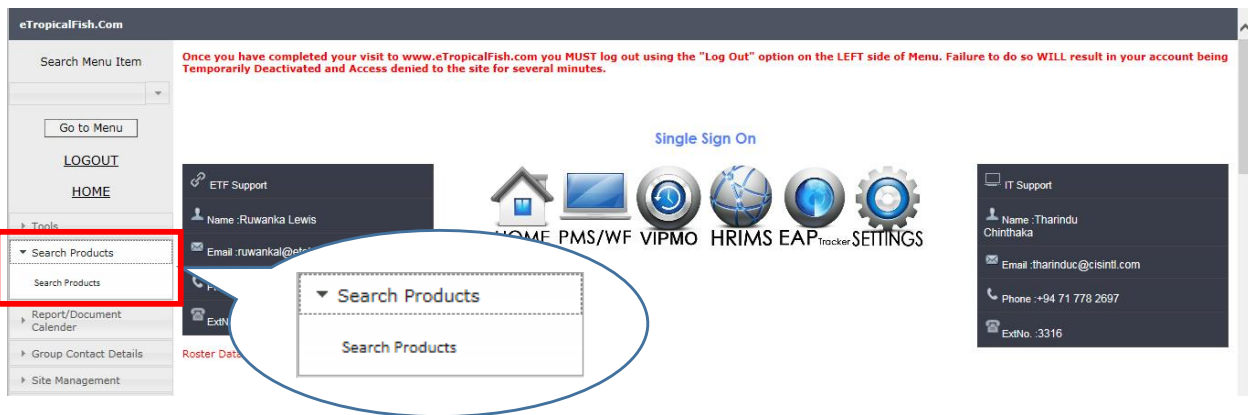

- ❖ Sometimes the CIS code in left and right won't be the same. So when the right side code is searched in the "Item Mapping" page and if it displays as "No Record Found", then the right side code should be copied, then the inventory code should be generated to that item and then the left side CIS code should be mapped.

Search Product Category

- If do you know the “Item Category”, go to “Search Product” in the menu as shown below.

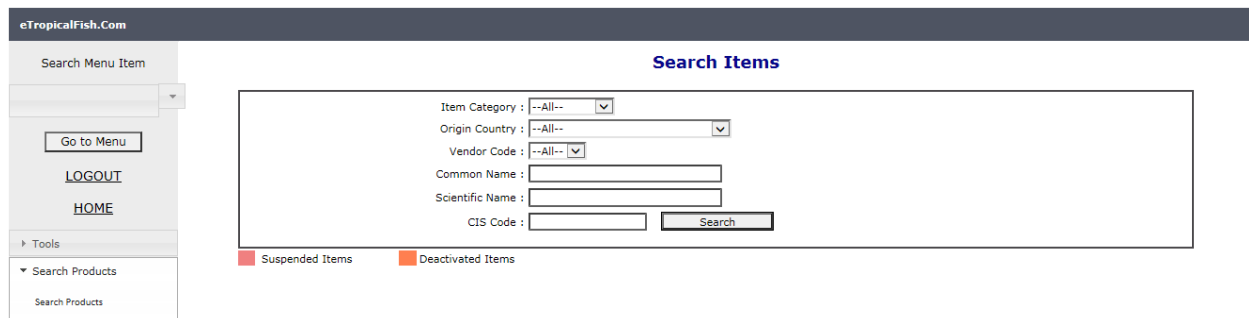

- Then you will be opened the “Search Product” item.

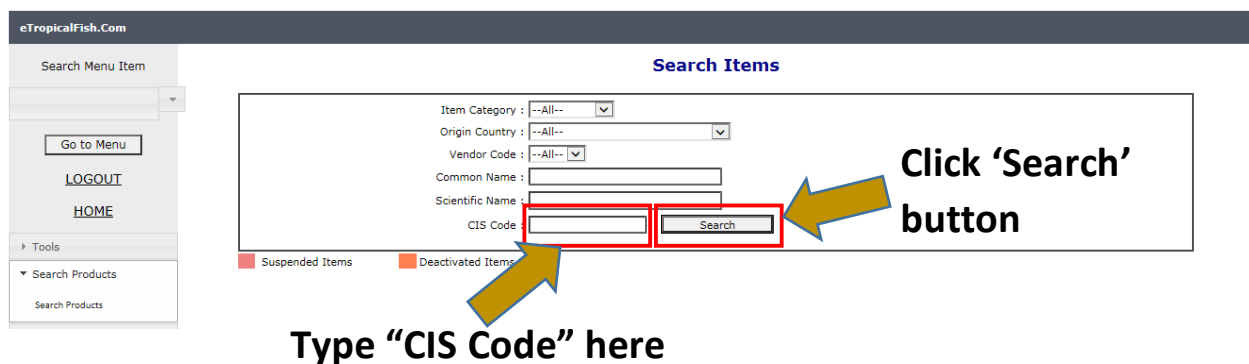

- Now press the Item called “Search Product” as shown below.

- Then you will be displayed the following page.

- Now type CIS Code for CIS Code field and press the “Search” button.
