

LIVE ROCK EXPORT SHIPMENT

APPROVAL PROCESS

1. Admin department and farm will inform NAQDA – Colombo about the deposit of the live rocks to the sea.
2. After some days, the same way officialy Admin/ Farm will inform NAQDA about haversting those Live rocks which deposited in the sea.
3. When the haversting is in process an authorized officer from NAQDA will be prented to monitor the haversting as per serial numbers.
4. After the harvesting over the officer of NAQDA will send the serial numbers of approved live rocks details to NAQDA office – Colombo.
5. Colombo office will prepare the permit for us to do the export and we need to collect it.
6. After we have collected the NAQDA permit, we need to submit the documents to Minstry of fisheries for Approvals.
 - a. We need to submit originals document sets + 3 set of copies of originals.
 - b. Also we need to make a additional copy for our filling purpose.
 - c. Rs. 50.00 need to pay to Minsistry of fisheries for each live rock. An email needs to send to Accounts department one week prior to arrange the money. For examble if farm is planning to harvest 8000 numbers of live rocks then we need to arrange LKR:400'000.00 for this work.

Time allocation need for this approval process (after Haversting),

NAQDA = At least 3 Days

Fisheries = At least 3 Days

Approximately Logistics needs 5-6 working days to complete the apprvals procedures.
